

Dear Little Victories Families,  
Happy Spring! Sandal and sunscreen season have begun! With the warmer weather upon us, we will be spending plenty of time outside. Please bring in sunscreen labeled with your child's first and last name. When shopping for summer sandals, please choose sandals that have toe and heel coverage, like Keens or other sport sandals. The children are very active outside and this helps to reduce the number of trips and injuries on the playground. Thank you for your help! Please continue to send along a light jacket or sweatshirt with your child. We are looking forward to a great Spring!!
