

Dear Parents,

Thank you so much for a wonderful summer up to this point! We have a lot of great activities ready for August so please make sure that you pick up a calendar at the front desk.

You may have noticed some commotion and changes taking place out front. We are adding some parking to the side and will be extending our playground onto the blacktop. We are super excited for all the new large muscle activities we will be able to do while enjoying the outdoors!!

As much as we want to hold on to summer while we can, we also need to look forward to fall. We will be having gymnastics once a week onsite again this school year and are working on a weekly music program as well! Details to follow in the September newsletter. If anyone has ideas for additional enrichment classes you would be interested in we would love to hear them! Please stop by the front desk or send us an email.

Please let us know of any changes for your family schedules for fall. It is a great help to us as we plan for staffing and optimizing the classroom experience for your children!

Thank you and Happy August,
Julie and Melissa

Referral Program

We want to thank you for all of the referrals that you have brought to us! You are our greatest link to new families. We want to make sure all of you know about our current referral program. Do you know a family who is looking for childcare? If you refer a family who enrolls with us, they will get a 50% discount for the first 2 weeks and then you will get a \$100 credit on your bill. Have them mention your name when they tour— it's that simple!
