

Dear Little Victories Families,

We are excited to announce the opening of the new older preschool room— the Creative Crickets! The oldest 1/3 of the preschool class has moved up to this room as of Monday, Sept. 30. This smaller class size will allow us to better serve the needs of the children based on age and expanding abilities! Miss Shanna is the teacher of this new class and is very excited to be up and running.

We would like to share some wonderful feedback that we received. Two of our families recently went to preschool screening /kindergarten round up. Both came to us and let us know that their children did great at the skills tests and were told that their preschool was doing something right— because the children passed with flying colors! To the families that shared this with us— thank you! This is a huge validation for the teachers who spend time and energy on creating stimulating curriculum for the classrooms.

Thank you all for choosing Little Victories!
 Julie and Melissa

October Events

Tuesday, October 8—Picture Day

Monday, October 21— Field Trip to Country Sun Farm

Thursday, October 31— Bees, Preschool, Pre-K Halloween Party—Keep an eye out for details!

October Anniversaries

2 Years— Stephanie has worked for 2 years in our Busy Bee classroom. Miss Stephanie is a life—long learner always taking classes to enhance her own knowledge. Her love of learning and creative ideas for enhancing the classroom make her an asset to the Little Victories team. Thank you Stephanie!

1 Year—Shanna joined our team 1 year ago this month and has worked predominately in our Pre K and Preschool rooms. We are so excited that she is now the teacher in the Creative Crickets older Preschool Room! Miss Shanna's smiling face , laughter, and good attitude are contagious and make learning fun. Thank you Shanna!

Reminders:

****Safety Reminder:**

Please make sure that siblings are not left in your car when you are dropping off or picking up. It can be dangerous for your child in regard to extreme temperatures or vehicle theft. Thank you for your help with this!

****Clothing Reminder**

With the change of seasons upon us, please make sure that your child has an extra set of clothing available at the center that is appropriate for fall weather. A jacket or sweatshirt will be needed very soon for morning outdoor play.

Be Our Guest!!

Our teachers have been diving into their school-year curriculum. They would like to include more guest speakers this year. If you are willing to come in and talk to the children about your profession or hobby, please let your child's teachers know!
